- GTD ISLANDER SUMMARY -

GTD's retreats are an exciting camping trip that will thrill your heart and ignite your faith! In our time together we will embark on at least one great adventure while enjoying camp fires, cookouts, fellowship, praise & worship, and plenty of God-awesome fun. You will explore the majesty of God's creation as we encounter exciting adventures in the great outdoors. As you pursue these activities together you will build stronger bonds with your peers. GTD's retreats are Christ centered events that are both fun and spiritually impacting. Our daily devotions and nightly Impact Points will challenge you to seek God first in all that you do. God wants to do something amazing in your life through this retreat! So come live the adventure and leave with a lifelong memory!

ATTENTION! Due to sharp rocks & oyster shells around the island, participants are required to wear tennis shoes while in the water!
